Annual Public Notice

In accordance with USDE Guidelines IV-O, Title VI: 34 C.F.R. & 100.6 (d), this notice shall serve to advise students, parents, employees, and the general public that all Career and Technical Education opportunities at the Camden County Technical School District shall be offered to all students regardless of race, color, national origin, gender, or disability.

The Camden County Technical School District is committed to maintaining environments for all students, employees, and visitors that are free from discrimination and harassment. In accordance with the State and Federal Law, The Camden County Technical School District does not discriminate in admissions on the basis of age, color, creed, national origin, race, religion, sex, marital status, disability, ancestry, affectional or sexual orientation, familial status, or liability for service in the Armed Forces of the United States regarding admission to educational programs. The District assures that the career programs are available to all pupils and that all limited English proficient pupils and pupils with disabilities will not encounter barriers for admission and participation in such programs. The District prohibits discrimination in all of its programs and activities, including but not limited to employment, promotion, admissions, and access to all career and technical programs.

Admissions

The Camden County Technical School District offers career education in the following Schools: The School of the Arts, The School of Automotive Technology, The School of Building Trades, The School of Business, The School of Communication Arts, The School of Culinary Arts, The School of Health and Education, The School of Homeland Security, The School of Professional Services, and The School of Science, Technology, Engineering, and Math (STEM).
